Pack all the above in a soft sided, wheeled carry on. Maximum carry on size for Alaska Air is 10" high X 17" wide X 24" long. This is ample room for the above list. If you can use a smaller suitcase, please do.

When arriving at the lodge, feel free to bring your favorite mixer & hard liquor for your drinks or things that will be consumed at the lodge. Float plane space is limited departing the lodge because of your fish boxes. So please pack light. Also, your fish boxes will be checked in as baggage on Alaska Air while your clothes can be in your carry on.

Fishing licenses can be purchased at the lodge.

For purchase at the lodge Gift Shop are LOGO water proof soft shell jackets, sweatshirts, vests & hats.
